We want you to tell us what you think of our articles. If the story moves you, compels you to act or tells you something you didn't know, mark it high. If you thought it was well written, do the same. If it doesn't meet your standards, mark it accordingly.

You can also [register](#) and/or [login](#) to the site and join the conversation by leaving a comment.

Circle the weekend of Sept. 24-26 on your calendar and get set to celebrate Canada's multicultural heritage and rich arts scene.

Culture Days, the first ever national initiative of this breadth and nature, is an open invitation to all amateur and professional groups and individuals in the region, who are involved in cultural endeavours or the arts, to organize an event during those three days.
